

“I CAN NAME THAT HIT IN ...3 WORDS!”

# • NAME THAT TUNE •

## TAKE NOTE

The No. 1 television game show in the U.S. is now going into prime locations all across the country. And you know what? ...Here come the quarters!

## WHAT'S THE SECRET?

Simple... Just start with the most popular TV game show on the face of the earth (since the '50s and still going strong). Then add hundreds of high quality, fully orchestrated popular musical arrangements (done especially for Bally Sente by Grammy Award winning Richard Greene). Play these back through the high quality sound system of a SAC 1 mainframe and you have another timeless entertainment for all ages!
